### Failure to Respond to Registrar Audit

Section 3.14 of the RAA requires Infocom Network to timely provide documents and information concerning a contractual compliance audit to demonstrate compliance with the terms of the RAA upon no less than (15) days notice by ICANN.

ICANN sent Infocom Network the 2011 WDRP compliance audit request on 25 January 2012. All registrars were required to respond by 15 February 2012. ICANN sent Infocom Network multiple compliance notices requesting that Infocom Network complete the 2011 WDRP audit questionnaire (see the chronology below). As of the date of this letter, Infocom Network has not contacted ICANN in response to these requests and it has not complied with the requests.

Infocom Network's repeated failure to complete the 2011 WDRP audit questionnaire constitutes a breach of Section 3.14 of the RAA.

### Failure to Pay Accreditation Fees

Section 3.9 of the RAA requires registrars to timely pay accreditation fees to ICANN, consisting of yearly and variable fees. Infocom Network currently owes ICANN \$3,434.24 in past due accreditation fees.

Infocom Network failed to comply with its obligation pursuant to Section 3.9 of the RAA by failing to timely pay accreditation fees.
