Re: Withdrawal of RSEP ticket

Dear Internet Corporation for Assigned Names and Numbers,

XYZ hereby withdraws our registry request titled "Gateway to comply with local laws" (Ticket ID B6E3C-5C5E3). The request is also being withdrawn through the ICANN Registry Request system. We are withdrawing this request because our gateway model is changed since the submission of the registry request and so the request is no longer accurate. We will shortly submit a new registry request to cover the updated gateway model.

We appreciate your work on this request. If you have any questions, please reach out to me at gc@xyz.xyz.

Very truly yours,
