Dear Mr. Chalaby and Mr. Drazek,

Thank you for your kind words and for appreciation of our efforts.

Here at .ART, we realize the importance of legal regulation of data protection and privacy within the European Union. We highly esteem all ICANN activities and complex work towards this goal.

It is important for us that members of our team, and in particular Mr. Pritz, can contribute to the development of ICANN ecosystem and are ready to develop our relations and cooperation in the future.

Kind regards,

Ulvi Kasimov
