ccTLD Contributions

Overview:

The following table summarizes the contributions received by ICANN from ccTLD registries for the past 4 fiscal years (FY). Contributions received by ICANN are as of 1 June 2016. Should ccTLD registries wish to make additional contributions for current or past fiscal years, these contributions will be reflected in the next annual publication of the report. Information included in the table below is based on the ICANN fiscal year for which the contribution was made (as indicated on the invoice), irrespective of the effective date on which the invoice was issued. As an example, an invoice issued on 31 July 2014 for ICANN FY2014 (which closed on 30 June 2014) would be reported in FY2014 results even though the invoice was issued after the close of the intended fiscal year.

ccTLD Contributions

Overview:

The following table summarizes the contributions received by ICANN from ccTLD registries for the past 4 fiscal years (FY). Contributions received by ICANN are as of 1 June 2016. Should ccTLD registries wish to make additional contributions for current or past fiscal years, these contributions will be reflected in the next annual publication of the report. Information included in the table below is based on the ICANN fiscal year for which the contribution was made (as indicated on the invoice), irrespective of the effective date on which the invoice was issued. As an example, an invoice issued on 31 July 2014 for ICANN FY2014 (which closed on 30 June 2014) would be reported in FY2014 results even though the invoice was issued after the close of the intended fiscal year.

Two Letter Code	Country/Territory	Contribution Year 2014-2015 (ICANN FY15)	Contribution Year 2013-2014 (ICANN FY14)	Contribution Year 2012-2013 (ICANN FY13)	Contribution Year 2011-2012 (ICANN FY12)
