2021 ICANN Nominating Committee (NomCom) Update

Ole Jacobsen | 2021 Nominating Committee Chair

2021 NomCom | ICANN72 Annual General Meeting
13 October 2021

A Message from the 2021 NomCom Chair

On behalf of the 2021 NomCom, we are thankful for the numerous applications received. The highest number of applications came from the Asia, Australia, Pacific Islands region, with the second highest coming from Africa. Although the NomCom cannot appoint everyone who applied, we encourage all applicants to continue participating, as your involvement is critical to ICANN's mission.

I would also like to thank all the members of the 2021 NomCom who worked diligently to evaluate all the applications and participated in numerous virtual meetings leading up to the final selection process. In normal times, this would have involved in-person ICANN conferences and inter-sessional meetings, but due to COVID-19 the committee completed its work entirely through virtual means.

We congratulate all the selected candidates. We have the utmost confidence in their ability to help lead ICANN forward and we are thrilled that they will be joining or continuing with their leadership position.
