

Dear Registrar,

ICANN is sharing an invitation from the Registrar Stakeholder Group (RrSG) for you to join their webinar to discuss the proposed amendments to the Registrar Accreditation Agreement (RAA) on Domain Name System (DNS) abuse. This webinar will offer you the chance to learn about the proposed amendment and voting procedure, hear from members of the team who negotiated the amendment, and discuss its operational impacts with fellow ICANN-accredited registrars.

This webinar is being presented by the RrSG and hosted by ICANN org. You do not need to be an RrSG member to attend and all registrars, regardless of membership, are encouraged to join.

Please use the link below for the webinar to be held **Monday, 9 October at 13:00 UTC**.
