Brian Cute, Facilitator

GOALS OF THE WEBINAR

- Reflect Community input and comment on the work plan to date.
- Review next steps in the process.
- Prepare for ICANN66 plenary session on Evolving ICANN's Multistakeholder Model.

EVOVING ICANN'S MSM PROCESS

- **Part of ICANN's Strategic Plan for 2021 – 2025**
- **Supports the achievement of the Strategic Objective on Governance**
- **Addresses three specific goals:**
 - 1. Strengthen ICANN's bottom-up multi-stakeholder decision-making process and ensure that work gets done and policies are developed in an effective and timely manner.**
 - 2. Support and grow active, informed, and effective stakeholder participation.**
 - 3. Sustain and improve openness, inclusivity, accountability, and transparency.**

ISSUES IDENTIFIED BY THE COMMUNITY

Issues concerning work processes, working methods and culture that are hampering the more effective and efficient functioning of ICANN's MSM.

- Prioritization of the work
- Precision in scoping the work
- Efficient use of resources
- Roles & responsibilities and a holistic view of ICANN
- Consensus
- Representativeness + Inclusiveness
- Culture, trust and silos
- Complexity
