Subject: Contract update regarding your data escrow agent

Dear Registrar,

We write to inform you of a change to your designated registrar data escrow agent.

Effective 1 Dec 2018, DENIC eG has assigned its responsibilities for providing data escrow services to ICANN accredited registrars to a wholly-owned subsidiary, DENIC Services GmbH & Co KG (DENIC Services). ICANN has approved this change.

Pursuant to Section 12.7 of your data escrow agreement, no approval is required by you but DENIC Services may be communicating with you regarding any actions required.

If you have any questions about this change, please contact us at registrar@icann.org.

Kind Regards,

Cyrus Namazi
Vice President, Global Domains Division
