LETTER FROM THE PRESIDENT

October 1999

The Internet Corporation for Assigned Names & Numbers (“ICANN”)

467 Admiralty Way, #1007
Mairna Del Ray, California 90292
U.S.A.

Attention: Board of Directors

Dear Sirs or Madams:

Re: A Technology Company ICANN Submission

A Technology Company is pleased to provide you with our submission to become one of the five test bed registrars. A Technology Company, Inc. has unparalleled experience and a track record of success at providing domain name registration services. Our team consists of high-level professionals who have been and continue to be prominent voices in the ongoing effort to expand competition in this new industry.

We look forward to contributing to the growth of the domain name registration industry. Don't hesitate to contact me if you require any supplementary information or further clarification of the details included in this proposal.

Yours very truly,

A TECHNOLOGY COMPANY, INC.

Jason Hendeles
President
