**EXPAND YOUR WEB PRESENCE INTERNATIONALLY WITH REGISTER.COM!**

The Internet is expanding rapidly, and we predict the international domain name market will grow exponentially in 2001. Enhance the value of your domain name portfolio and register international character domain names at register.com™.

Become a key player in the international marketplace and register domain names in their proper character sets!\* Register.com™ is pleased to provide our customers the chance to register domain names in the international character sets (German, French, Turkish, Cyrillic, to name a few). Even more international character sets will be made available in upcoming months! And, don't forget to take advantage of our existing Asian character domain name offerings. For bulk pre-registrations, translation services are available.

To learn which character sets are available now, or to pre-register in other character sets, click here.

Registering international character domain names will help you stay on top of the domain name market, and at an affordable price. For a limited time, a year's registration costs only \$25!\*\*\*

Don't delay! Register your international character domain names before somebody else does! Just click here to register.

Secure your piece of the Web, at home and abroad!

\*At this time, the central registry is supporting the registration of international character domain names in an experimental testbed. International character domain names are not yet and may not be functional on the Internet and cannot be used for Web hosting, Email Services or any other DNS related activity.

\*\*This offer expires March 15, 2001

All registrations are subject to the terms of our Services Agreement located at: <http://www.register.com/service-agreement.cgi> To learn more about the disclosure and use of registration information clause in register.com's published Privacy Notice, please click here.
