Dear Furqan Khan,

Please be advised that as of 26 October 2018, Experinom Inc. ("Experinom") is in breach of its 2013 Registrar Accreditation Agreement with the Internet Corporation for Assigned Names and Numbers ("ICANN") dated 25 October 2016 ("RAA"). This breach results from:

1. Experinom's failure to timely pay past due accreditation fees, as required by Section 3.9 of the RAA.

Please refer to the attachment for details regarding this breach.

In addition, Experinom has been deemed noncompliant in the following areas:

1. Experinom's failure to provide an interactive webpage Whois service providing free public query-based access to up-to-date data concerning all active registered names sponsored by Experinom for each top-level domain ("TLD") in which it is accredited, as required by Section 3.3.1 of the RAA.

Additional Concerns

Experinom has previously remediated the failure to pay past due fees.

ICANN requests that Experinom cure these breaches by 16 November 2018, 21 days from the date of this letter, by taking the following actions:

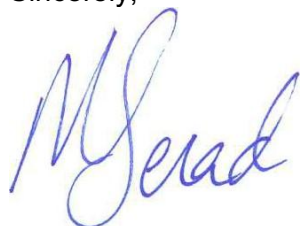

1. Provide an interactive webpage Whois service providing free public query-based access to up-to-date data concerning all active registered names sponsored by Experinom for each TLD in which it is accredited;

2. Provide ICANN with corrective and preventative action(s), including implementation date(s), to ensure that Experinom will:
 - a. timely and fully respond to ICANN Contractual Compliance matters;
 - b. timely make payment of its ICANN fees; and
 - c. remain in compliance for previously remediated areas of noncompliance; and
3. Pay all past and currently due accreditation fees.

If Experinom fails to timely cure the breaches and provide the information requested by 16 November 2018, ICANN may commence the RAA termination process.

If you have questions or require assistance, please contact Jennifer Scott at jennifer.scott@icann.org.

Sincerely,
